

# "Love My Feet"

Advanced Wound Care Center Sock Drive

**St. Joseph  
Medical Center**

A STEWARD FAMILY HOSPITAL

**Warm the "Soles"  
of our patients in  
need this winter**

**The SJMC Advanced Wound Care Center  
is collecting new, unused socks  
during the month of February!**

Please drop off new, unused socks in the collection boxes located in the lobby of the SJMC Advanced Wound Care Center (2<sup>nd</sup> Floor SKS). The deadline to donate is Monday, February 28.

These socks will be distributed to our indigent patients to help protect their feet.

**For more information the Advanced Wound Care Center,  
Hyperbaric Oxygen Treatment or to take a tour,  
please call 713-356-7820.**

**Get to know the our  
Advanced Wound Care Center**

The Advanced Wound Care Center (AWCC) at St. Joseph Medical Center is an outpatient clinic that specializes in treating patients with chronic, slow and non-healing wounds.

Our comprehensive approach uses the latest technology to promote healing and improve quality of life.

Our experienced team, trained in wound management and hyperbaric medicine, uses advanced treatment strategies to significantly improve healing for all types of difficult wounds.
